Announcements

Outdoor Church In comfortable weather we will hold our second service on the field behind the school. However, being weather-dependent also means that plans could change abruptly. Please watch for Flocknote texts, email messages or Facebook notices for changes to our Sabbath service. The parameters for deciding to hold the service outdoors are that there be no rain and the temperature will be between 70-85F. The decision will be made on Thursdays to allow the information to be included in the newsletter. Note: first service will always be held indoors.

Outdoor Church Access for elderly and handicapped: Please drive down to the field and walk on level ground to the seating area. If you need assistance, please let Pastor Darrel or the church leadership know. We can assist you and have a shady chair ready for you if we know your needs ahead of time.

Property Development At the business meeting, it was voted to pursue the purchase of the property next door and to start a fund for the purpose of property development. We are eager to begin this project because we have the opportunity to have up to \$100,000 matched. The property development fund's first priority is the purchase of the property next door. If we are not able to purchase the property we will use that account, including the matching funds, for future development of the property we already own. Please prayerfully consider how you can be part of this project.

Congratulations! Judith A Riley and Pastor George W. Garrick were wed on Friday, June 25, 2021. They plan to divide their time between North Carolina and Niles. George is a retired pastor who continues to support the Lord's work as a substitute pastor and evangelist in the Carolina and Arizona Conferences and Adventist World Radio. The best way to contact them is by email as listed in the church directory. We have been so blessed with Judy giving of her talents as a pianist for first service and as the potluck coordinator. We wish them God's Blessings as they join their lives together and continue to serve the Lord as husband and wife.

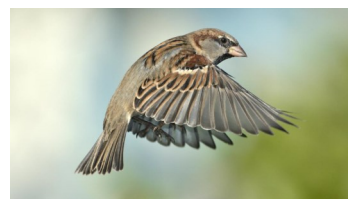

Warm Shawls Are you a little chilly while sitting in the sanctuary? Women's Ministries would like you to know that there is a basketful of shawls for your use in the foyer, on the floor beside the door to the Mother's Room. Please take one if you need it and return it to the same place neatly folded.

Baptism, July 4 at Weko beach, Bridgman Cecily Kaufmann is joining our Niles Westside Church Family after her baptism on July 4th. We will have more information next week, but for those wanting to join us to celebrate, plan on embracing her at the baptism over a light meal (bring and eat).

NAS Family Fun Day, Wednesday Plan to attend this fun event with family and friends

Nominating Committee in the Fall Please note that due to the slow changes affecting our church family, we plan to hold our next nominating committee in the Fall. We are asking that everyone stay in their current position until then. If any leaders need assistance in their departments till then, please contact Pastor Darrel. Ideally, transitioning in the Fall may make our changes easier than over the summer.

Planting “SEEDS” of Hope

International Children’s Care - Your SDA Orphan-Care Ministry

In ministry, every act of giving and service is like the planting of a seed. It can be tempting to think that a small act of kindness yields a small impact. Yet, when considering that your kindness may inspire others to commit acts of love, then your impact grows exponentially. For example, when you plant the seed of a zucchini squash, multiple zucchini will grow from one seed! This phenomenon is especially evident in orphan care.

Thanks to the support of caring people, just like you, International Children’s Care (ICC) exists to help orphan children – an act of love that makes a BIG difference.

Often, orphans raised in ICC children’s villages will grow up to serve as they have been served. Many of the children become pastors, teachers, missionaries, or medical professionals. Some of them even volunteer or work at the children’s villages where they were raised! So, next time you’re tempted to think that your time and gifts are too small to make a big impact – think again! God is using YOU to plant seeds of growth that will continue to multiply the harvest in heaven.
